

The background of the magazine cover is a photograph of two women sitting in a meditative lotus position on a stone ledge in a lush garden. The woman on the left is wearing a bright pink tank top and black leggings, while the woman on the right is wearing a light blue tank top and a blue patterned skirt. They are both holding hands in front of them. In the background, there are green plants, a statue of a person holding a bowl, and a pond with pink and purple flowers.
